#### Welcome and Meeting Overview

Shoshana Akins opened the meeting with a brief overview of the agenda and welcomed all the attendees. Shoshana Akins facilitated introductions, doing a quick ice breaker due to the large number of attendees. The attendees then heard three presentations on DVRPC's Long-Range Plan.

#### Presentations

**Mike Boyer...** *Associate Director of Planning, DVRPC*

Mike Boyer presented on the background and development of the Long-Range Plan, providing an understanding of the LRP's purpose, the part municipalities and counties play in development and the responsibilities in this agency-wide DVRPC effort.

**Brett Fusco...** *Assistant Manager of Long-Range Planning, DVRPC*

Brett Fusco presented on Future Forces, sustainable transportation actions, and networking transportation, giving some insight into what DVRPC is planning for in the future. This included a background of the Futures group, the needs of sustainable transportation actions, and the technologies that exist and are in development.

**Jackie Davis...** *Senior Planner, DVRPC*

Jackie Davis presented on the LRP's Strategy Workshop in November, automated vehicles, & next steps for LRP. This presentation detailed the feedback heard from the Strategy Workshop, the Futures Group meeting that focused on AVs, and the timeline for the LRP rollout.
