Welcome and Meeting Overview

led by Shoshana Akins, DVRPC and Rachele Gizinsk, PPTF Chair

DVRPC + Data: A source for the region

Elise Turner, Associate Manager in the Office of Communication and Engagement

Elise gave a presentation on the importance of data during the COVID-19 period. She then explained the different findings DVRPC has shared with the public through the media, our meetings and our website.

DVRPC Presentations

Municipal Resources: Patty Elkis, Director of Planning

Patty shared how DVRPC continues to provide support for the municipalities and our other partners in the region. She shared the results of the municipalities survey and how we intend to fulfill the needs/ wants expressed in the survey.

Business District: Spencer Gobber, Office of Community & Economic Development Planner

Spencer provided a preview of what he plans to cover in his 5P's that are not Pandemic webinar.

Trail Data: Shawn Megill Legendre Office of Environmental Planning Assistant Manager

Shawn gave an update of trail counts, trends and where to access the most up to date information.

Travel Data During Quarantine: Jesse Burke, Capital Project Development Manager

Jesse gave an update on travel data and brought attention to speeding as a 'Stay at Home Order' trend. For the sake of the presentation, he used I-95, I-76, Broad St. and others as examples.

7:25 Q&A and/ or Group Discussion led by Shoshana

Led by Shoshana Akins, Public Participation Planner, DVRPC
