What else should DVRPC be doing?
(New activities, new partners, new programs, etc.)

Engagement Activity

Q3:

How else might DVRPC improve our operations or assist you/your community?

Work Program & LRP

What is the Work Program?

Three federally mandated documents:

- Long-Range Plan - 20+ years in the future (long-term)
- Transportation Improvement Plan (TIP) - 4+ years of budgeting/programming how to spend federal transportation funding (short-term)
- Planning Work Program - 1-2 years of budgeting/programming how to spend federal transportation funding for MPO *planning*
 - Theoretically - planning studies could inform a future project that goes on the TIP (intermediate/medium-term)

Work Program Requirements

—
Must include primary MPO responsibilities:

- LRP
- TIP
- Travel Demand Model
- Air Quality Program
- Public Participation Process
- Some other areas/activities

Work Program Requirements

FAST Act Planning Factors (federal transportation legislation)

- Economic vitality
- Safety
- Security
- Accessibility and Mobility of People and Freight
- Environmental and Energy Sustainability and Planning Consistency
- Enhanced Integration and System Connectivity
- Efficient System Management and Operation
- Preservation of the Existing System
- Enhance Travel and Tourism
- Improve the resiliency and reliability of the transportation system and reduce or mitigate stormwater impacts of surface transportation

Work Program Should be Tied to LRP Goals

Draft *Connections 2045* Goals:

- Sustain the Environment
