

Land Acknowledgement

We acknowledge that our region, formerly known as Lenapehoking, was wrongfully claimed and yielded the displacement of the Lenape peoples. DVRPC expresses its support and gratitude towards the Lenape communities today, including the Delaware Nation, the Delaware Tribe of Indians, the Stockbridge-Munsee Community, the Munsee-Delaware Nation, the Moravian of the Thames First Nation, and Delaware of Six Nations.

Desired Outcomes

New ideas about work and how to approach it

The diagram consists of three light yellow rounded rectangular boxes with dark blue outlines, arranged in a horizontal sequence. Each box is connected to the next by a dark blue line. The first box on the left has a dark blue downward-pointing arrowhead at the top center. The middle box is slightly higher and has an orange downward-pointing arrowhead at the top center. The third box on the right has a dark blue downward-pointing arrowhead at the top center.
