## AGENDA

### Welcome and Introductions

DVRPC staff will welcome members and reveal the Vision for Greater Philadelphia in 2050 as crafted by stakeholders and the general public. Staff will then give a brief overview of the agenda and review the results of the Dispatches scenario planning exercise conducted by the Futures Working Group in 2019 which underpins this workshop.

### Facilitated Exercise

Participants will break out into groups of 4-10 people, facilitated by a DVRPC staff member. Participants will watch short videos describing potential futures for Greater Philadelphia based on the Dispatches scenario planning exercise conducted by the Futures Working Group in 2019. Then, group members will be asked to work together to identify strategies for achieving the regional vision in the face of each future and its implications.

### Report Back and Closing

Groups will be asked to report on some of the strategies identified in their breakout sessions. DVRPC staff will discuss next steps and opportunities for participating in future workshops on other topic areas.
