AGENDA ITEM

2. DVRPC Transportation Improvement Program (TIP) Action

a. PA11-40a: Parkesburg Train Station Rehabilitation (MPMS#TBD), Chester County

From: jfrey40535@gmail.com

County: Philadelphia

Zip Code: 19134

Date Received: September 14, 2011

Comment/Question: Why is this project being prioritized over replacement of deficient bridges on the Keystone line between Harrisburg and 30th Street? Who is the contact at PennDOT that requested this project be added to the TIP?

Response: This agenda item is being tabled at the September 22, 2011 DVRPC Board meeting. Questions regarding projects on the "Keystone Line" can be directed to PennDOT's Bureau of Public Transit in Harrisburg. DVRPC staff forwarded these comments to PennDOT's Bureau of Public Transit for their information.

c. PA11-40c: Exton Train Station Rehabilitation (MPMS# TBD), Chester County

From: john@bicyclecoalition.org

County: Philadelphia

Zip Code: 19102

Date Received: September 13, 2011

Comment/Question: Bicycle Coalition of Greater Philadelphia Comments - Exton Station is less than one mile from Main St Exton, Chester Valley Trail and the Iron Lake Community. Planning should include a bicycle/pedestrian connection to these destinations which are located on the other side of the Exton Bypass.

Response: This agenda item is being tabled at the September 22, 2011 DVRPC Board meeting. DVRPC forwarded this Comment to PennDOT's Bureau of Public Transit and SEPTA for their information.
