3. Transportation Performance Management Transit Assets Targets and Update

From: Benjamin She
County: Philadelphia
Zip Code: 19104
Date Received: 2/14/2022

Comment/Question: My name is Benjamin She, and I am a volunteer with 5th Square Transit, a transit advocacy group in Philadelphia. I wholeheartedly support the approval to receive the RAISE Grant for 19th and 37th St Station improvement project, as a crucial step forward to implementing Trolley Modernization in its entirety. Getting all of SEPTA's transit stations 100% ADA accessible, along with pending light rail vehicles, should be the first priority in Trolley Mod so that no one should be denied access to a mode that serves such an expansive portion of Philadelphia. Thank you.

Response: Thank you for your comment. Your comment was forwarded to the DVRPC Board and DVRPC Office of Transit, Bicycle, and Pedestrian Planning. Thank you for your continued involvement in the region's development.
