2h. Transportation Improvement Program (TIP) Action

PA21-92: MLK Drive over Schuylkill River (Bridge) (MPMS # 108129), City of Philadelphia

From: Don Knieriem
County: Delaware
Zip Code: 19128
Date Received: 6/13/2022

Comment: The bridge has been closed for a few years now. The world did not end. Why spend \$19 MILLION to open a bridge we don't need? Keep it closed to cars, make the rest of MLK open to pedestrians like it should be, save money and the environment at the same time. No one will ever miss it.

Draft Response: Thank you for your comment. A response is pending.

From: Christopher Aho
County: Philadelphia
Zip Code: 19143
Date Received: 6/13/2022

Comment: Make this bridge with just two general purpose lanes and allocate more space to allow for separated and protected bike and ped facilities.

Draft Response: Thank you for your comment. A response is pending.
