## PROGRAM

**TUESDAY | 6.10.14**

The State Museum of Pennsylvania | Harrisburg, PA

**WELCOME!** While there are many issues and challenges facing us here in Pennsylvania, one in particular affects everyone: safety on our roads. Thank you for joining us at this statewide event, at which panels of legislators, safety experts, researchers, and others will share their accomplishments and discuss some of the most pressing transportation safety policy matters in our state. DUI issues, automated speed enforcement in work zones, seat belt laws, and young driver safety are the topics being highlighted today.
